Kidsports Academy is a state-certified program. Our teachers and assistants are caring individuals who come to us with various degrees, training and backgrounds. Our staff has been with us for many years.

We have a phenomenal facility that includes two outside play areas, shaded picnic space, heated pool and a garden that is planted and maintained by our students. Children will have access to our indoor obstacle course, carpeted gym and the sports court turf during gym time.

In addition, our full day Kindergarten and Preschool students are entitled to weekly swim sessions (*3 day & 5 day students*), Spanish lessons from the award winning “Salta! Jump Into Spanish” program, as well as computer and Ipad technology.

There is no doubt in my mind that children attending Kidsports Academy receive a top-notch education.

Please do not hesitate to come see us in action. We would love to meet you and your family!

Sincerely,

Veronica Velazquez, Director
